# Student Feedback Analysis Report on BA/B.COM Course Curriculum, 2022

**Kohima College, Kohima**

Internal Quality Assurance Cell - June 2022

---

## INTRODUCTION

The Internal Quality Assurance Cell (IQAC) conducted this survey as part of its exercise to evaluate the student satisfaction level on course curriculum. Through this survey, the IQAC is making an attempt to understand the level of student's satisfaction with regard to course curriculum and student satisfaction level on content delivery in the teaching-learning process. This report will enable the IQCA in making recommendations for improving and ensuring quality education to the students.

## DATA COLLECTION AND ANALYSIS

The purpose of this survey is to enable the students to share their learning experience in the context of course curriculum offered by the University. For this survey, the IQAC prepared a questionnaire in google form and published it to the students to take the survey during the period 25th April to 31 May, 2022. Approximately 144 students from BA programme and 23 students from B.Com programme participated in the survey. The questionnaire had ten close-ended questions on the course curriculum and one subjective question asking for student's suggestion for curriculum improvement. An attempt has been made to objectively analysis the result by using various statistical tools like percentage and graphical representation.
