ANALYSIS ON THE FEEDBACK OF PARENTS

The college distributed some questionnaires to parents of students to gather opinion on the various facilities available in the college. They were asked various questions such as the transparency of admission process, discipline, curriculum design, quality of teaching, exam design and other facilities of the college. After analyzing their feedback, the following conclusion was drawn.

The parents are of the opinion that the college admission process is fair and that it is a matter of pride for them that their children got admission in the college. Many are of the opinion that their wards are improving their knowledge base due to interaction with their professors and that they are satisfied with the discipline of the college.

All parents questioned are satisfied with the atmosphere of the college and that it is conducive to learning.

Most agree strongly that after joining the college they can see a positive change in the behavior of their wards and that they have great respect for the college.

Most of them are satisfied with the college information available. Only few of them struggled in accessing it. Some parents being from rural background may have had problems accessing the college information as it is dispensed mostly through digital means.

The parents greatly appreciate the course curriculum design; that it promotes learning experience of the students. Most agree that employability is given focus in the curriculum design.

They greatly appreciate the quality of the teaching offered by the college. They are mostly satisfied with the examination system adopted in the institution and also with examination results.

They are of the opinion that the college employees are cooperative. Most agree that they see progressive change in recent years.

A few of them were concerned with the availability of hostel seats, although generally they are satisfied with the facilities offered. The only thing that needs some improvement was transportation facility. Regarding buses/transport the college is aware of this need and is exploring every avenue to enhance its transport facilities to reach out to a greater volume of students, in more localities.
