

A BRIEF REPORT ON THE ORAL STORYTELLING COMPETITION MAY 2021

Dated-30th May 2021

CULTURAL CLUB in collaboration with INTERNAL QUALITY ASSURANCE CELL of Kohima College conducted an Oral Storytelling Competition in the month of May, 2021. We invited video clips of any folk story to be retold in the participant's own dialect/language along with a translated manuscript.

This Oral Storytelling activity was proposed keeping in mind the importance of the Oral tradition in the culture of the Naga tribes. Also, to keep the much needed spirit of inclusiveness and to encourage the other students belonging to non-Naga tribes to keep in touch with their cultural roots, the competition was opened to all students of Kohima College.

Therefore, the competition was themed *Reliving our culture, one story at a time*.

The winners of the competition were;
