

A brief report on the monetary assistance rendered to Old Age Home, Kohima

The Kohima College as a part of its community extension service handed over a sum of Rs.50,000/- (Fifty thousand only). We extend our heartfelt thanks to all who have joyously come forward with their contribution. Though initially we planned on visiting the Old Age Home and handover the amount personally, we could not do that with the extension of the lockdown and the given situation. Therefore, the amount was transferred to the account of the caretaker Ms.Neithonuo Liegise on 22nd May 2021.

She has conveyed her heartfelt gratitude to the college. I quote her words – **“My joy is beyond expression for your generous contribution towards the Old Age Home. I share my sincere thanks to you all for your kindness. May the Almighty God bless you abundantly from above. Old Age Home is praying for you”**.

Thank you all once again. May we get more opportunities to come together for such act of kindness.

Regards,
IQAC, KCK
